

«...If fairness plays any part in quality music reaching the masses these days, then Kennedy Administration will reach new commercial heights with Ms. Kennedy giving the cream of modern soul vocalizing...»

~ John Osborne, Jazz FM, U.K.

«...This is the pulse of today's music - from the street to the dance floor to the souls of our youth...»

~ Pete Fallico, KCSM - The Bay Area's Jazz Station

«...It's tough for any great live band to bring the spark of its concert performances into a recording studio, where everything except the clock slows down, and music is assembled piece by painstaking piece. The Kennedy Administration's debut album is a beautiful exception to the rule. [Name of album here] is a group sound that was honed on stage re-emerging in a new form -- a collection of soulful, jazzy original compositions and apt cover songs -- with the essential energy and personality not just intact, but improved...»

~ Sean Piccoli, music critic, author of biographies on Jimi Hendrix and the Grateful Dead

«...The Kennedy Administration is a powerhouse group that leaves the audience standing and wanting more EVERY time they perform. They're simply incredible....»

~ Neal Ludevig Executive Direct of Harlem Arts Festival

«...Sexy stuff!...»

~ Alisa Clancy Program Director / Host - KCSM
