Conductor/ Arranger: Ansgar Striepens

On July 07, 2022, one of the most famous and influential jazz musicians, Viennese **JOE ZAWINUL**, would have turned 90. During his time with Cannonball Adderley, as co-leader of the band Weather Report and with his Zawinul Syndicate, Zawinul set musical standards that are still unparalleled today.

On the occasion of his 90th birthday, the **SCOTT KINSEY GROUP** (Scott Kinsey; Hadrien Ferraud; Bobby Thomas Jr, Gergö Borlai) together with **BuJazzO**, the German Bundesjazzorchester under the direction of Prof. Ansgar Striepens, will celebrate the music of this great Austrian musician and composer. The program follows on seamlessly from Zawinul's successful concerts with the WDR Big Band Cologne. In addition to Zawinul hits such as Birdland or Mercy Mercy, songs from the Weather Report and Syndicate repertoire will be presented. **A homage to one of the greats of music!**
